

Live In PERPETUITY

The International Bowling Campus is located in the entertainment district of Arlington, TX. The campus is home to the Bowling Proprietors' Association of America (BPAA), the United States Bowling Congress (USBC), the International Bowling Museum and Hall of Fame (IBM/HF) and the International Training and Research Center (ITRC). The IBC is truly the epicenter of bowling, and is host to thousands of visitors each year. It's a great place to visit; it's a great place to be.

You can become an important part of this beautiful facility by acquiring one of the commemorative bricks that pave the way to the front doors of the campus. Your inscription could memorialize a loved one, pay tribute to a special event, acknowledge a 300 or 800 series, and recognize a league champion or to proudly display a corporate logo. Sign up today and live on, and on, and on.

All profits benefit IBM/HF.
